

Harper Bell - PE & Sport Grant Allocation 2015 - 2016

What is Sports Premium?

The Government is providing substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Accountability

Schools will be held to account for how we spend the sport funding. Ofsted has strengthened its coverage of sport and PE within the Inspectors' Handbook and supporting guidance, so that schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision offered.

The sport funding has been given for 199 eligible pupils during the academic year 2015/16. The total for 2015/2016 is £3,638.

As a school we already provide a high quality Physical Education and Sport program, and our intention is that this funding will further enhance the existing provision in school.

The funds will enable us to:

1. Engage with a specialist sports company (Centrespot) to support playground activities at lunchtime.
2. Use the sports company to accompany a year group swimming on a weekly basis.
3. Deliver an after school football club for all children across the school.
